experience

AERON LIFESTYLE TECHNOLOGY – Fairfield, IA
Senior Design Engineer - Sept. 2014 – Present
Design home and auto fragrance devices for a team that is among the world's leading manufacturers of innovative air-care devices for global, name-brand retailers. Work closely with stateside and international factories as a bridge of communication to customers, to bring their product ideas to life.

Design Studio Lead - Jan. 2021 - Present
As part of an initiative to enhance house brand products around human centered design, the Design Studio elevates Aeron's mission of manufacturing innovative air-care devices. Have also worked closely with Iowa State Industrial Design students by sponsoring projects on an as needed basis to provide the next generation of talent with real world experience.

SYMMONS INDUSTRIES – Braintree, MA
Industrial Design Intern - May 2013 – Aug. 2013
Worked in collaboration with the design studio team, which generates concepts for new product lines, as well as an expanding focus in custom design work. Worked through the full design process from ideation sketching, to 3D modeling in SolidWorks, to rapid prototyping using 3D printers.

IOWA STATE UNIVERSITY – Ames, IA
Teaching Assistant - Aug. 2011 – May 2013
Assisted in educating students on "Computer Literacy and Applications for the World Wide Web." Was involved in course development, and solved periodic problems for the online database.

education

IOWA STATE UNIVERSITY – Ames, IA
Bachelor of Industrial Design - May 2014
Sponsored projects:
Allsteel - Muscatine, IA & Paragon - Nevada, IA
Involvement: Phi Gamma Delta, IDSA, & Design Council
